

Internal League Boxes – October 2026 – Update

Round 1 of the internal boxes went live on Sunday 20th September 2026. There are 156 members playing across 29 boxes in ladies and mens singles, doubles and mixed doubles. The ladies singles box returned after a one year absence.

Several boxes are up and running and scores are coming in. You need to arrange your own games. The best way to get games is to set-up a WhatsApp group for your box. Once set-up you can offer to the group the dates and times for the coming week that you are available and when there are courts available.
