. Rory & Brian Walsh v Paul & Dermot F 5-6; 7-3

Tim & Bill v. Pat Leamy & John Marks. 2-9; 7-5

Playing Format –

1. Preliminary round ties will be played on an 11 game basis, to enable ties to be completed within the hour.
2. Format is as per 70+ league, i.e. 10 games with first point after deuce winning the game, 11th to be a 7 point tie break with 2 point winning margin. All games **MUST** be played, as every game and indeed tie break points are vital.
3. Semi finals and final will be played on a three set basis, first two sets being first to 6:game, and final set if needed being a 10 point tie break with 2 point advantage. Games will be as normal with first point after deuce deciding the game. Receiver elects who receives the serve at deuce.

Semi Finalists –

The top 4 pairs after the preliminary round of ties are the semi finalists with 1 v 4 and 2 v 3.

Placings are determined as follows –

1. Most ties won.
2. If level then most games won.
3. If level then tie break points difference decides.
4. If still level then “the algorithm” will be invoked as certified by Joe Cunningham.
